Terms & Conditions 1. All the payments and transaction-related documents are to be released in the name of Circuit Systems India Ltd. You are free to choose between these paying options - A/C Payee Cheques, Demand Drafts, NEFT-RTGS and various digital payment options available on our website. 2. All the payments received post the due date as mentioned in the invoice, will automatically attract a non-negotiable 18% interest. 3. Circuit Systems India Ltd, PCB Power Market will possess the lien on all the goods, services, and other deliverables until the invoices are outstanding in full or part payment. 4. Any and all disputes will be addressed only in the Ahmedabad jurisdiction in the State of Gujarat. 5. Any claims received by our team after 15 days from the date of invoice will not be entertained. 6. Our team takes all the necessary measures to ensure safe and timely transport. However, if any damage is incurred to the goods in the process of transit, Circuit Systems India Ltd/PCB Power Market, its associates, or any of its employees will not be liable against the claims of damage or related expenses/charges. 7. In the case of bare boards supplied by Circuit Systems India Ltd, PCB Power Market we will accept claims limited to bare PCBs replacement only. Warranty does not apply after components are mounted by the customer to the PCBs. Circuit System India Ltd / PCB Power Market 's liability shall not exceed the price of bare PCBs. PCB Power Market shall bear the responsibility of replacing only the bare board for PCBs and the PCB Assembly Services. All the liability pertaining to the individual or aggregate components shall rest with the respective component suppliers and exercised as per their applicable policies. The PCB Power Market team will make all the efforts necessary to work alongside customers and coordinate diligently with the suppliers on matters necessitating exercise of the liability to replace. For consigned PCB Assembly orders, the maximum liability is limited to bare PCBs. All the Terms & Conditions as mentioned in the Quotation and the Pro Forma Invoice are applicable to this, its associated, and all future transactions unless they specifically changed by the Circuit Systems India Ltd or PCB Power Market team.
